## WORLD KINDNESS DAY

At Al Rabeeh Academy, we celebrated **World Kindness Day** with a fun and **colourful Odd Socks Day**, reminding our learners that being different is something to celebrate and that kindness brings us all together!

While our learners showed off their colourful, mismatched socks, we took the opportunity to reflect on something far more important: the **power of kindness**. Kindness doesn't have to be something big. It's often found in the little things we do every day – a friendly smile, a helping hand, including someone in a game, sharing with a friend or simply taking the time to listen.

Let's remember that we can all make a difference by:

- Choosing **kind words** and **speaking with respect.**
- **Including others** and making everyone feel welcome.
- **Helping someone** who might be having a difficult day.
- **Celebrating our differences** and **respecting** one another.
- Showing gratitude and **saying thank you**.
- Standing up for others and **choosing kindness** over unkindness.

At Al Rabeeh Academy, we believe that kindness starts with each of us. Let's make it more than just one day of celebration – let's make it part of who we are, every day!

## MORNING MILE

This week, we kicked off our new **Al Rabeeh Let's Get Moving initiative,** encouraging learners to **get active** and make movement part of their everyday school routine. Through our **Morning Mile, Friday Fun activities** and classroom **brain breaks,** we're making fitness fun while working towards our target of 120 minutes of moderate to vigorous physical activity per student each week. It's all about building healthy habits, boosting energy and enjoying the benefits of an active lifestyle!

## WELLBEING

# Meet our team

At Al Rabeeh Academy, we believe that happy, healthy children are better equipped to learn and thrive. Our team of **three Social Workers** and **Counsellors supports students** across the school with their emotional, social and personal wellbeing.

We provide a **safe, supportive space** for students to talk, work through challenges and develop positive coping strategies. This may include support with friendships, emotions, anxiety, family changes, confidence and school-related worries.

We work closely with students, families and staff to ensure children feel heard, valued and supported.
Need support or have a concern? Please get in touch – we're here to help!
